Andy Case, Ph.D.
Licensed Counseling Psychologist
105A Cedar Rock Trace Athens GA 30605
(678)677-4851 drandycase.com

I want to make your therapy experience as comfortable and productive as possible. Your first meeting with me will be an "intake Interview". The purpose of the intake interview is to help you clarify your relationship concerns and, if needed, discuss any additional services that might be helpful.

Completion of this intake packet will help you and me in planning a positive course of action. Please be as honest and forthcoming as you can when completing the forms so I can provide you with the best clinical guidance and support possible.

CLIENT INFORMED CONSENT FORM

Statement of Confidentiality

Clients often raise questions about the privacy of what is discussed in counseling. All clinicians adhere to very strict confidentiality standards. Client information is managed using procedures designed to protect the privacy and security of personal data. Counseling records are strictly confidential, except in life threatening situations, cases of suspected child or elder abuse, or when release is otherwise required by law. In order to provide you the best possible services, I may consult with other clinical professionals.

In order to protect your right to confidentiality, your written authorization is required if you want us to provide information about your counseling to another person or agency. Some licensing boards and various federal agencies may require information regarding your use of counseling services prior to taking licensing exams or being employed. If you have any questions, you may ask me.

Please sign below to indicate that you have read the above statement regarding records, confidentiality, and clinical services.

Client Responsibility Regarding Appointments and Payment

The counseling process involves responsibility and commitment on the part of the clinician and client. You will receive the most benefit from counseling if you attend your sessions regularly and participate actively in the counseling process. Please arrive on time for your appointments and make arrangements to stay for the duration of the session. This practice serves the greater Athens community, and there are always other clients waiting for services. For these reasons, I request that you take responsibility for the following:

- Payment for counseling sessions is expected at the beginning of each session.
- Cash or check are acceptable methods of payment.
- For checks that bounce, full payment for counseling session(s) and a $25 fee will be charged.
- Any uncollected balance may be turned over to a collection agency.
- Phone calls lasting longer than 5 minutes will be charged at the prorated amount of a session. This does not include calls solely for the purpose of scheduling.

Please initial below that you have read and understand your responsibility regarding appointments/payment

___________***(Initials)***

Cancellation Policy

If you need to cancel a scheduled appointment, please do so at least 24 hours in advance. This allows me to offer that hour to someone else. I recognize that life happens and therefore, **one** emergency cancellation (without 24 hours notice) is accepted per calendar year. After your one emergency cancellation is used, ALL future cancellations will be billed if insufficient notice is given, even if it's an emergency. If you do not show and do not cancel a scheduled appointment, you will be charged a full session fee for that time. Insurance companies will not reimburse for missed sessions so, unfortunately, this means you will be billed my full fee without a potential for reimbursement.

Please initial below that you have read and understand your responsibility regarding cancellation policy

___________***(Initials)***

In Case of Emergency

If you are experiencing a psychological emergency, you may use my emergency paging system by calling (678) 677-4851 and leaving your name and phone number and indicating that it is an emergency. You must leave an actual message or I will not be paged. Please reserve paging me for emergencies only. If it is during business hours and I do not call you back immediately, you can assume I am in session and have not yet retrieved your message. If you can wait, I check my pager between sessions and will call you then. If you cannot wait, or if I have been unable to return your call within an hour for some unforeseen reason, call your county's local mental health clinic whose number you can get by calling 411 or dialing 911. You can also do any of the following:

- Call the emergency crisis line at 1-800-715-4225
- Call Athens Regional Medical Center at (706) 475-7000
- St. Mary's Hospital at (706) 389-3000
- Call 911
- Go to your nearest emergency room

Please initial below that you have read and understand your responsibility regarding emergency procedures.

Compliance with HIPPA Rules and Regulations

The following policies and practices are designed to protect the privacy of your health information. In order to utilize insurance for the purpose of receiving mental health services, I will need to disclose protected health care information in following circumstances:

- Benefits verification
- Attaining authorization for treatment
- Providing treatment plans and progress to begin and maintain treatment
- Information required to secure payment for services (*Office Ally Billing Software is Used*)
- Coordination of healthcare operations (ensuring your specific insurance benefits are accessed and utilized properly)

Situations where information needs to be released and is not covered by the circumstances above (with the exceptions of mandatory reporting in cases of danger to self, danger to others, or court mandate) will only be done after securing written permission to release information. An explanation of the purpose of releasing the information will also be provided prior to release. Lastly, every effort will be made to keep the sharing of protected health information to a minimum.

Please initial below that you have read and understand the HIPPA rules and regulations and your responsibility associated with HIPPA compliance.

__________*(Initials)*

Consent to Individual Therapy

I have read and discussed the HIPPA rules and regulations, confidentiality statement and the office policies and procedures required to engage in individual therapy. I am willingly consenting to treatment with Dr. Case under the parameters provided in the client informed consent and understand that I may withdraw my consent at any time and terminate services.
